To Whom It May Concern:

The Pool Therapist has been maintaining the Parkland Greens HOA's pool for many years now and has been an asset to the community. Please take this letter into consideration when researching pool care companies.

From the customer service to the response time when an issue arises is nothing short of remarkable. The lifeguards are always kind, courteous and helpful to all residents of the community. The pool area is kept clean and maintained at all times throughout the pool season.

We would highly recommend The Pool Therapist for many reasons: consistency of performance, responsiveness, fairness in pricing, honesty, etc. The Pool Therapist has a history of competence and reliability.

Sincerely,

Marissa Zinnanti
